OUR VISION

Astro Charitable and Scholarship Foundation Inc. envisions a productive society without underprivileged youths and families in terms of education, skills training and livelihood in the areas where the ACSFI operates in, be left behind

HELPING. HEALING. CARING.

OUR MISSION

Astro Charitable and Scholarship Foundation Inc. is committed to three sectors.

- First is a commitment to the marginalized poor sector for which the ACSFI exists.
- Second is a commitment to the staff members who are dedicated to achieving the Foundation's goals.
- The third commitment is to the founders and patrons to make ACSFI the best and most self-sustainable charitable institution in the country.

GOAL AND OBJECTIVES

- To grant scholarships to qualified and high-potential students with challenged economic circumstance.
- To assist in providing educational facilities and materials to students and educational institutions.
- To assist in community projects where the businesses of ACSFI operate especially in environmental projects and/or government initiatives and research and development.
- To contribute to the socio-economic development of urban and rural poor communities through providing financial support and services.
